## Testimonies

"In my family it is so important to get a diploma, and I'm the second boy in the family to get my diploma. I always doubted myself when I was a kid and thought I couldn't do anything. But you showed me that deep down there is a hidden potential somewhere in myself." - C.E. (Sacramento, CA county probation youth).

I was nervous leaving my family behind when I moved up here, but then I thought about it and needed to do this for myself. Its been a week and its been awesome! -A.R. (Foster youth from Riverside, CA)

"Wow you guys are phenomenal. She needed space to achieve without disturbances from negative influences and you have given her the opportunity to do such" -Madera County CPS social worker
